18 Pursuant to Federal Rule of Civil Procedure 26(f) and Local Rule 26-1, the parties to this
 19 action, Plaintiff Kelly-Harrison, Inc. (“KHI”), Defendant CHDP Pahrump, LLC (“CHDP”),
 20 Defendant Pahrump Community Health Center, LLC (“PCHC”), and the attorneys of record for
 21 the parties hereby submit their proposed discovery plan and scheduling order in compliance with
 22 LR 26-1.

23 **I. INTRODUCTION**

24 On January 22, 2025, KHI initiated a lawsuit against CHDP and PCHC in the United
 25 States District Court for the District of Nevada. On March 4, 2025, CHDP filed its answer to
 26 KHI’s complaint, along with their affirmative defenses. On March 6, 2025, PCHC filed its answer
 27 to KHI’s complaint, along with their affirmative defenses.

28

1 Pursuant to Fed. R. Civ. Proc. 26(f)(1), counsel for all parties – M. Dason Coronado, Esq.,
 2 on behalf of KHI; and George F. Ogilvie III, Esq. and Christopher Molina, Esq., on behalf CHDP
 3 and PCHC – held a video conference at approximately 10:00 a.m. on the morning of Wednesday,
 4 March 26, 2025, for the planning of discovery and other matters in this case.

5 **II. NATURE AND BASIS OF CLAIMS AND DEFENSES**

6 **a. Description of the action:**

7 This matter arises out of a construction dispute involving a written agreement between
 8 KHI and PCHC (c/o CHDP) for the construction of the Pahrump Community Health Center
 9 located at 136 S. Lola Lane, Pahrump, Nevada. Under the agreement, KHI agreed to furnish labor,
 10 materials, and equipment to construct the facility on a cost-plus basis with a guaranteed
 11 maximum price. KHI commenced work on the project and alleges it performed in accordance
 12 with the terms of the agreement, including completing additional or changed work beyond the
 13 original contract scope.

14 A dispute subsequently arose regarding payment. KHI contends that CHDP has failed to
 15 fully compensate it for the work performed, including the additional or changed work. KHI
 16 recorded a Notice of Lien against the subject property and initiated this action to recover amounts
 17 it alleges remain due and owing. CHDP denies liability, disputes the amount and basis of KHI's
 18 claims, and maintains that KHI has failed to provide the sufficient supporting documentation for
 19 the costs claimed due.

20 The parties have initiated this litigation to resolve the dispute and are continuing to assess
 21 their respective claims and defenses through the litigation process.

22 **b. KHI's Claims for Relief in the Complaint:**

- 23 i. Breach of Contract against PCHC;
- 24 ii. Breach of the Covenant of Good Faith and Fair Dealing against PCHC;
- 25 iii. Unjust Enrichment against PCHC;
- 26 iv. Foreclosure of Mechanics Lien against CHDP;
- 27 v. Declaratory Relief against CHDP and PCHC.

1 **c. PCHC's Affirmative Defenses to KHI's Complaint:**

- 2 1. The Complaint fails to state claims against this Answering Defendant
3 upon which relief can be granted.
- 4 2. The Complaint is barred by the doctrine of laches, estoppel and/or
5 unclean hands.
- 6 3. There was a failure of consideration for the monies sued upon by KHI
7 in that KHI failed to deliver satisfactory labor, equipment, or materials
8 for which it has not already been paid.
- 9 4. The Complaint and all claims for relief are barred by KHI's material
10 breaches of contract and/or warranty.
- 11 5. The Complaint may be barred and/or diminished because the payment
12 of money to KHI for the alleged damages, if any, would constitute
13 unjust enrichment.
- 14 6. As a result of KHI's own acts, conduct, and representations, KHI is
15 estopped to assert the claims in the Complaint and/or to obtain the
16 relief sought therein.
- 17 7. This Answering Defendant at all relevant times acted reasonably and in
18 good faith in discharging their obligations and duties, if any.
- 19 8. KHI failed to mitigate its damages, if any.
- 20 9. KHI waived some or all of its rights be reason of its conduct.
- 21 10. KHI failed to satisfy conditions precedent and/or other prerequisites to
22 bringing any action against this Answering Defendant.
- 23 11. KHI's claims are barred by its own bad faith.
- 24 12. KHI failed to comply with the statutory requirements in NRS Chapter
25 108.
- 26 13. KHI's lien is frivolous and was made without reasonable cause,
27 entitling the Property owner to an order releasing the lien and awarding
28 costs and reasonable attorneys' fees.

- 1 14. The Complaint, and each purported claim for relief alleged therein, is
2 barred to the extent the amount claimed in KHI's purported mechanic's
3 lien exceeds the reasonable value of the materials delivered and/or
4 services or work performed.
- 5 15. The Complaint, and each purported claim for relief alleged therein, is
6 barred to the extent that not all of the materials or services for which
7 KHI claims a lien were incorporated into the project for which the lien
8 is claimed.
- 9 16. Any claims for damages that KHI has against this Answering
10 Defendant, if valid, are offset by the claims which this Answering
11 Defendant has against KHI.
- 12 17. The Complaint is barred to the extent that KHI has been paid all sums
13 that are due and owing to KHI.
- 14 18. The Complaint is barred to the extent that KHI failed to properly
15 maintain, control, construct, inspect or otherwise properly conduct its
16 activities on the project and/or KHI failed to take adequate measure to
17 minimize delays, damages, and extra costs during the course of work
18 on the project.
- 19 19. KHI has failed to satisfy its contractual obligations to entitle it to
20 payment of the amounts claimed due.
- 21 20. This Answering Defendant incorporates all applicable affirmative
22 defenses enumerated in Nevada Rule of Civil Procedure 8(c) to avoid
23 waiver thereof.
- 24 21. This Answering Defendant reserves the right to assert additional
25 affirmative defenses in the event discovery and/or investigation
26 indicate that additional affirmative defenses are applicable.

1 **d. CHDP's Affirmative Defenses to KHI's Complaint:**

- 2 1. The Complaint fails to state claims against this Answering Defendant
3 upon which relief can be granted.
- 4 2. The Complaint is barred by the doctrine of laches, estoppel and/or
5 unclean hands.
- 6 3. There was a failure of consideration for the monies sued upon by KHI
7 in that KHI failed to deliver satisfactory labor, equipment, or materials
8 for which it has not already been paid.
- 9 4. The Complaint and all claims for relief are barred by KHI's material
10 breaches of contract and/or warranty.
- 11 5. The Complaint may be barred and/or diminished because the payment
12 of money to KHI for the alleged damages, if any, would constitute
13 unjust enrichment.
- 14 6. As a result of KHI's own acts, conduct, and representations, KHI is
15 estopped to assert the claims in the Complaint and/or to obtain the
16 relief sought therein.
- 17 7. This Answering Defendant at all relevant times acted reasonably and in
18 good faith in discharging their obligations and duties, if any.
- 19 8. KHI failed to mitigate its damages, if any.
- 20 9. KHI waived some or all of its rights be reason of its conduct.
- 21 10. KHI failed to satisfy conditions precedent and/or other prerequisites to
22 bringing any action against this Answering Defendant.
- 23 11. KHI's claims are barred by its own bad faith.
- 24 12. KHI failed to comply with the statutory requirements in NRS Chapter
25 108.
- 26 13. KHI's lien is frivolous and was made without reasonable cause,
27 entitling the Property owner to an order releasing the lien and awarding
28 costs and reasonable attorneys' fees.

- 1 14. The Complaint, and each purported claim for relief alleged therein, is
2 barred to the extent the amount claimed in KHI's purported mechanic's
3 lien exceeds the reasonable value of the materials delivered and/or
4 services or work performed.
- 5 15. The Complaint, and each purported claim for relief alleged therein, is
6 barred to the extent that not all of the materials or services for which
7 KHI claims a lien were incorporated into the project for which the lien
8 is claimed.
- 9 16. Any claims for damages that KHI has against this Answering
10 Defendant, if valid, are offset by the claims which this Answering
11 Defendant has against KHI.
- 12 17. The Complaint is barred to the extent that KHI has been paid all sums
13 that are due and owing to KHI.
- 14 18. The Complaint is barred to the extent that KHI failed to properly
15 maintain, control, construct, inspect or otherwise properly conduct its
16 activities on the project and/or KHI failed to take adequate measure to
17 minimize delays, damages, and extra costs during the course of work
18 on the project.
- 19 19. This Answering Defendant incorporates all applicable affirmative
20 defenses enumerated in Nevada Rule of Civil Procedure 8(c) to avoid
21 waiver thereof.
- 22 20. This Answering Defendant reserves the right to assert additional
23 affirmative defenses in the event discovery and /or investigation
24 indicate that additional affirmative defenses are applicable.
- 25 21. KHI has failed to satisfy its contractual obligations to entitle it to
26 payment of the amounts claimed due.

1 **SETTLEMENT DISCUSSIONS**

2 The parties discussed the possibility of settlement during the Rule 26(f) conference;
 3 however, the parties agree that it is currently too early to engage in meaningful settlement
 4 negotiations. The parties intend to revisit settlement discussions as the case progresses and
 5 additional discovery is completed.

6 **III. RULE 26(f) DISCOVERY PLAN**

7 **a. What changes should be made in timing, form, or requirement for
 8 disclosures under Rule 26(a), including a statement of when initial
 9 disclosures were or will be made:**

10 The parties have agreed to exchange initial disclosures in accordance with Federal Rule
 11 of Civil Procedure 26(a)(1). All parties will serve their Rule 26(a)(1)(C) disclosures within 14
 12 days of this conference, by April 14, 2025.

13 **b. Subjects on Which Discovery May Be Needed:**

 15 affirmative defenses to those claims.

16 **c. Any Issues About Disclosure, Discovery, or Preservation of Electronically
 17 Stored Information (ESI), Including the Form or Forms in Which It Should
 18 Be Produced:**

19 The parties have no issues regarding the disclosure, discovery, or preservation of ESI at
 20 this time. All relevant electronically stored information, including emails, contracts, and project-
 21 related documentation, will be preserved. Unless otherwise agreed, all electronically stored
 22 information shall be produced in the following format: Extracted Text and images (single page
 23 tiff or multipage pdf) with bates numbered pages. For Excel files, other files that will not render
 24 properly in an imaged form (such as P6, BIM, CADD, etc.), the parties shall produce native files
 25 (i.e., the format in which it was original generated or used by the producing party in its regularly
 26 conducted activities) with electronic slip sheets referencing the document number and file name
 27 and indicating that the document has been produced in native format.

1 The parties agree that each shall have the right to “claw-back” any inadvertently produced
 2 documents or information which fall within attorney-client privilege or other privilege permitted
 3 by Nevada law.

4 **d. Issues About Claims of Privilege or Protection as Trial-Preparation**

5 **Materials:**

6 The parties have discussed claims of privilege and protection of trial-preparation
 7 materials and do not have any issues at this time. Should any claims of privilege or protection
 8 arise during discovery and after production of materials, the parties agree to address them in
 9 accordance with Federal Rule of Civil Procedure 26(b)(5) and Federal Rule of Evidence 502.

10 **e. What changes should be made in the limitations on discovery imposed
 under these rules or by local rule, and what other limitations should be
 imposed:**

11 None at this time.

12 **f. What, if any, other orders should be entered by the court under Rule 26(c)
 or Rule 16(b) and (c):**

13 None at this time. The parties reserve the right to request a protective order at a later date.

14 **g. Electronic Evidence:** Not applicable.

15 **IV. DISCOVERY AND MOTION DATES:**

16 The parties have agreed to the following as required by LR 26-1(b):

17 **a. General Discovery Cut-Off Date:** November 3, 2025.

18 i. **Date the first defendant answered or appeared:** March 4, 2025.

19 ii. **Number of days from first defendant’s answer to discovery cut-off:**

20 243 days.

21 **b. Factual Discovery Cut-Off Date:** August 5, 2025.

22 **c. Final date to Amend the Pleadings and Add Parties:** August 5, 2025.

23 **d. Expert Witness Disclosures:** September 4, 2025.

24 **e. Rebuttal Expert Disclosures:** October 6, 2025.

25 **f. Dispositive Pre-Trial Motions:** December 3, 2025.

1 **g. Joint Pre-Trial Order:** January 2, 2026, or 30 days after resolution of dispositive
 2 motions.

3 **h. Pre-Trial Disclosures:** January 2, 2026.

4 **V. ALTERNATIVE DISPUTE RESOLUTION AND ALTERNATIVE FORMS**
 5 **OF CASE DISPOSITION**

6 **Alternative Dispute Resolution:** The parties certify that they met and conferred about
 7 the possibility of using alternative dispute-resolution processes including, mediation, arbitration,
 8 and if applicable, early neutral evaluation.

9 **Alternative Forms of Case Disposition:** The parties certify that they considered consent
 10 to trial by a magistrate judge under 28 U.S.C. § 636(c) and Fed. R. Civ. P. 73 and the use of the
 11 Short Trial Program (General Order 2013-01).

12 **VI. STATEMENT OF REASONS FOR SPECIAL SCHEDULING REVIEW OF**
 13 **LONGER OR DIFFERENT DISCOVERY PLAN DATES**

14 The parties jointly request special scheduling review pursuant to Local Rule 26-1(a)-(b),
 15 as the proposed deadlines exceed the presumptive dates established under Local Rule 26-(b).

16 The parties anticipate that a minimum of six months will be required to complete
 17 discovery due to the volume of documents expected to be exchanged. The nature of the claims
 18 and defenses—arising out of a complex commercial construction project—involve technical
 19 construction issues, contract performance, alleged nonpayment, and lien enforcement. The
 20 factual development of these issues will likely require third-party discovery, expert analysis, and
 21 coordination of multiple witnesses, which cannot reasonably be completed within the standard
 22 timeframe.

23 Additionally, the parties anticipate delays in obtaining key documents and scheduling
 24 potential depositions, which will likely impact the discovery timeline. Significant electronically
 25 stored information will also need to be gathered, reviewed, and produced, necessitating additional
 26 time to ensure full compliance with the Federal Rules of Civil Procedure.

27 Given the scope of the issues and the volume of anticipated information involved, the
 28 parties agree that additional time is necessary to adequately prepare and evaluate their respective

1 claims and defenses. Extending the discovery and scheduling deadlines will ensure that all parties
 2 can fully and fairly prepare for trial.

 11 **ORDER**

12
 13 The parties' proposed discovery plan includes a bifurcated discovery schedule, with "general"
 14 discovery ending after "factual" discovery. However, Local Rule 26-1 does not provide for this form
 15 of discovery. And the Court is not inclined to grant a bifurcated discovery plan without very good
 16 reason because bifurcation often leads to disputes over whether discovery is appropriately conducted
 17 in the first or second stage of discovery. The parties do not provide that reasoning here. So, the
 Court DENIES the parties proposed discovery plan without prejudice. The parties must file a
 renewed plan on or before April 29, 2025.
